

Minecraft Bedrock OriginsPE

Abilities

Power	Description
 Gift of the Winds	Soar skyward with explosive force, launching yourself high into the air like a living cannonball. Has a 30-second cooldown.
 Winged	You have Elytra wings without needing to equip any, and is never lost nor can be removed. Freedom is your birthright.
 Essentials	You retain access to essential inventory, ensuring your hotbar is not lost upon death.
 Swift	Become nimble and swift, granting you increased movement speed, enabling you to traverse the terrain effortlessly.
 Sprint Jump	With powerful legs, leap 2 blocks high while sprinting — crush obstacles and evade danger with ease.
 Lightweight	Fall like a feather: take 50% less fall damage, never tire from sprinting or jumping, but beware — other attacks hurt 10% more.
 Teleport	Harness dimensional magic to teleport on command. Reposition instantly and surprise your enemies.
 Endless Quiver	Your arrows never run dry. Wield your bow with infinite ammo and relentless precision.
 Marksman	Deal 30% more damage with ranged attacks. Your aim is death's own messenger.
 Ferocious	Unleash primal fury. Gain Strength I and crush enemies in close quarters.
 Fragile	Power comes at a price — take 20% more damage from entity attacks. Be swift, not reckless.
 Smash	Leap sky-high and slam the earth with cataclysmic force, dealing 10 damage to all foes within 6 blocks. Grants fall damage immunity.
 Tough	Grow 4 bonus hearts and gain 20% resistance to all forms of damage. You are the frontline.
 Iron Skin	Deflect the skies — take 30% less damage from projectiles. Arrows bounce off your iron

Unbreakable Skin	resolve.
 Heavy	Massive power weighs heavy. Move 5% slower and exhaust twice as fast — but your might is unmatched.
 Empowering Aura	Activate a radiant surge: Become invincible and bless all allies within 64 blocks with Speed, Strength, Resistance, and Regeneration for 4 seconds. 9-second cooldown.
 Good Memory	Your inventory returns with you from the grave. Death is merely a setback.
 Longevity	Gain 2 extra hearts and outlast your enemies. Every breath is a second chance.
 Hunger Resistant	Endure the wild. Reduce exhaustion from all activities and stay full longer.
 Hunger Aura	Empower your allies: All players within 64 blocks gain Hunger Resistance just by being near you.
 Swift	Move like the wind with a 40% speed boost — perfect for rapid assaults, dodging danger, or crossing vast lands.
 Invisibility	Slip into the shadows. Vanish for 60 seconds with a 12-second cooldown. Perfect for ambushes and escapes.
 Marksman	Deal 30% more damage with ranged attacks. Your aim is death's own messenger.
 Debilitating Strikes	Cripple your enemies. Any mob you hit is slowed for 4 seconds — they'll never escape your wrath.
 Cat Vision	See clearly in the darkest places. Night is your domain.
 Camouflage	You blend in with the environment when you're sneaking, that hostile mobs wont naturally attack you - unless if you attack them first.
 Sneaky	Your nameplate is never always visible, even when you're not sneaking.
 Smaller	Your size is reduced 25%, making you harder to target.
 Need for Mobility	Heavy armor slows you by 50%. You were made for speed, not slugging it out in steel.

Class Strengths Table

Class	Perk	Description
 Caver	Fortune+	You are blessed with Fortune +1 on whatever pickaxe you use. This blessing does not transfer to others.
	Prospector's Intuition	Years underground have honed your instincts. Valuable ores occasionally glimmer when you're near enough to sense them.
	Vein Mine	You are able to instantly mine ores and its neighboring ores when using a pickaxe.
	Cat Vision	At places where the light level is low, you automatically get the strength and night vision status effects.
	Strong Ankles	You never take fall damage, no matter from which height you fall.
	Veteran Excavator	You do not lose hunger when mining.
 Carpenter	Tree Capitator	You can cut down an entire tree when using an axe.
	Replanting	There's a chance logs you break may be replanted with the same type of sapling.

	Great Deals	You get discounts when trading with villagers.
	Charisma	Wandering Traders are more likely to visit when you are around.
	Fallwise	You've mastered the art of safe landings, reducing the force of a fall by 50% through instinct and training.
	Builder's Step	You're trained to scale structures with ease, jumping twice as high to reach ledges and frames.
 Shepherd	Green Thumb	When planting crops, there is a chance it will immediately grow.
	Bountiful Harvest	When harvesting crops, you sometimes receive twice the yield.
	More Births	Animals bred when you are around have a chance to produce multiple babies.
	Scavenging	You are able to sometimes receive more material from killing mobs.
	Fauna Friends	Animals you tame receive a permanent buff to their health.
	Effective Empathy	Any potion effects you may have will also be applied to the mobs you've tamed.
	Good Meals	Foods you cook will grant additional saturation when eaten.
	Rejuvenating Soup	Stews you make can grant regeneration effects.
 Craftsman	Great Craftsmanship	Any equipment you craft or smith will have increased durability, efficiency, and damage.
	Potent Brews	Any potion you brew will be more amplified when brewing it with glowstone.
	Efficient Repairs	High-quality equipments you have crafted are easily more repairable and can restore more durability points.
